STATE GOVERNMENT WELCOME

The State Government is a proud sponsor of the Mandurah Crab Fest through the Regional Events Program (the Program), delivered by Tourism Western Australia (Tourism WA).

The Program supports medium to large events in regional Western Australia to boost tourism and local jobs, increase community vibrancy and participation, particularly outside of the typical tourism season, and further develop regional areas.

It also plays an important role in positioning Western Australia as an exciting destination to visit and a great place to live by showcasing and promoting a region's unique points of difference and diverse attractions, particularly through media coverage of events.

Regional events provide an opportunity for local, interstate, and international visitors

to go beyond city limits and experience the unique features of each of our State's wonderful regions.

Tourism is a key part of the State Government's plan to diversify the economy, create jobs and develop business opportunities, through helping regional economies and communities to grow and thrive.

Events are a vital part of this plan, with the State Government sponsoring a range of sporting, cultural, arts and culinary events across the State, through Tourism WA, to attract visitors and encourage them to stay longer, disperse further and do more while they are here.

We hope everyone enjoys this event and takes the time to explore the dreamlike Peel region.

ACKNOWLEDGEMENT OF COUNTRY

We would like to acknowledge that this festival is being held on the traditional land of the Bindjareb people, and pay our respects to their Elders past, present and emerging.

We acknowledge and respect their continuing culture and the unique contribution they make to the life of this community.

MAYOR'S WELCOME

Welcome to the Channel 7 Mandurah Crab Fest 2026, proudly brought to you by the City of Mandurah.

It is a privilege to share this milestone year with you as we celebrate 25 years of Crab Fest. What began as a local gathering has grown into one of Western Australia's most loved free events, shaped by the creativity, generosity, and hard work of our community.

Whether you are visiting Mandurah for the first time or you are one of our proud locals, I warmly welcome you. Over the weekend of March 14 and 15, I hope you experience the spirit that defines our city. It is a spirit grounded in connection, hospitality, and a deep appreciation for the place we call home.

Across the foreshores, through our city centre and around the Mandurah Ocean Marina, you will find a wide range of free entertainment and activities for all ages. There will be live music, cooking demonstrations and plenty of opportunities to enjoy our waterways and natural environment. We are delighted to welcome Havana Brown and Thelma Plum as headline performers, along with an outstanding lineup of chefs, Channel 7 Ambassadors, musicians, personalities, and local talent.

Crab Fest is a celebration of the relaxed yet vibrant Mandurah lifestyle. It is a chance to enjoy our stunning waterways, our natural surroundings, and of course our famous blue swimmer crab. Our local businesses and festival partners have worked with great care to bring together a delicious selection of seafood inspired dishes and crowd favourites for everyone to enjoy.

Most of all, Crab Fest is a celebration of community. This event would not be possible without the dedication of our volunteers, local organisations, partners and the many people who contribute behind the scenes. Their commitment and generosity are at the heart of this festival, and I am deeply grateful for all they bring to it.

Thank you to the State Government for their support through Tourism WA's Regional Events Program, and to Channel 7 for their long-standing partnership in bringing this festival to life.

I hope you enjoy a weekend filled with connection, discovery, and the simple pleasure of being together.

See you at Crab Fest!

MAYOR AMBER KEARNS
